Added by **Dawne Tortorella** (02/01/2019 - 09:47) , last updated by **Dawne Tortorella** (02/05/2019 - 14:41)

Some of our SWAN libraries are experiencing building issues, no doubt due to the severe weather this past week. As we hear of closings over the next few days, they will be posted here.

- **Matteson Public Library** (closed Friday, 2/1 - no water service in building)
- **River Forest Public Library** (closed Friday, 2/1 through Wednesday, 2/6 - building maintenance)
