## Label Templates are missing

Following the unplanned outage on 4/9, label templates are not displaying in WorkFlows. We are investigating with SirsiDynix to come up with a resolution.

### Tracking Updates:

#### Issue Updates

#### Date/Time

#### Note

April 10, 2019 - 8:30am	SirsiDynix has informed us that restoration of the templates will require a full Symphony halt, so we expect that they will be available for use on 4/11.
-------------------------	---

April 10, 2019 - 9:00am	Following a system restart at 8:58am, all templates have been restored.
