

SWAN Advisory: Discovery and User Experience (DUX)
Thursday, February 28, 2019

AGENDA

1:30 PM – 3:30 PM

Oak Brook Public Library

1. Welcome and introductions (5 min)
2. Scheduling a Spring 2019 usability test (5 minutes)
Tara will send out a signup for interested DUX libraries. We will focus on testing Article Search.
3. Activity: Discovery Platform Evaluation Matrix
 - a. Prioritization activity in small groups (90 minutes + 10 min break)
 - b. Regroup and discuss: (15 minutes)Activity results are included in the discovery platforms feature matrix.

Next steps:

- Finalize a list of platforms to evaluate
- Schedule demos and get access to documentation for each platform
- Score each platform with the discovery platform feature matrix

Are there DUX members interested in evaluating platforms?

4. **Next meeting March 28th**
Robin will lead a meeting focused on e-resources topics.
