Chair:

Robin Hofstetter, SWAN

I.   Welcome and introductions

II.   Supply and demand for electronic resources during the pandemic. How are you assessing user needs and meeting the demand?

III. Budget. What are you doing now and how are you planning ahead?

IV.   Patron authentication for remote access. The types we use and how you can determine user access upon initial setup with the vendor or make changes now to remove barriers.
- SIP2 and Web Services
- Open Athens
- Vendor supplied customer ID

V.   eBook and digital audio platform proliferation. Adding multiple vendors and platforms to Enterprise or the Mobile App. I wish SimplyE could solve our issue. Why it can't (yet). What we can and cannot change about Enterprise. Where we are with working toward a better user experience.
