I'm not sure if you planned to address this, but whenever you get to it... Question about online card registration. I know existing cards expire at end of August. But if they sign up for one today, do they get 90 days? Or do those expire 8/31, too? I had a school ask me yesterday.	Online cards expire 90 days from the date they sign up. We will update expiration dates for online cards as needed	Vickie Totton
