

# SWAN Advisory: Discovery and User Experience

Thursday, January 28th, 2020, 1:30 PM – 3:30 PM

Online

Register on L2 - <https://librarylearning.org/event/2021-01-28/swan-discovery-and-user-experience-advisory>

Chair: Tara Wood, SWAN

- I. Welcome and introductions (5 min)
- II. Aspen Pilot update (15 min)
  - a. Development priorities
  - b. Beta launch
  - c. SUPR-Q survey results - Enterprise
- III. Usability testing task activity (1 hour)

We're going to breakout into groups and design a short usability test. With your group, you will design at least 5 tasks for a patron to complete, focusing on a particular feature set.

  - a. See the activity instructions
- IV. Activity: New Year's Resolutions (30 min)
  - a. What do you want to see this group work on this year?
  - b. What do you want to make sure doesn't fall through the cracks as we look at a potential discovery platform migration?
- V. Next meeting: March 26<sup>th</sup> 1:30PM – 3:30PM
