Stone Barrington only wants a winter getaway from the chill of New York in the beautiful, tropical Caribbean paradise of St. Mark's. But what the lawyer and ex-cop gets instead is the chance to defend Allison Manning. The beautiful young woman stands accused of killing her rich husband on board their luxurious yacht and then burying him at sea.

Stone isn't exactly conversant with the island country's law, but this much is clear to him:

Show Editions

"A story of ill-fated lovers whose untimely deaths unite two feuding families, Romeo and Juliet has become the archetype of young love destined to meet a tragic end. The hatred between the House of the Capulets and the House of the Montagues is well known in Verona. Yet love blossoms between Romeo and Juliet. A brawl between the kinsmen of the Houses leads to Romeo's exile, and from then on it is a series of misjudgments and chance - of time, place,...

# Oak Brook

The screenshot displays the Oak Brook Illinois website. The header includes the logo and navigation links: ABOUT US, GOVERNMENT, SERVICES, DEPARTMENTS, I'M LOOKING FOR..., and Search. A left sidebar contains icons for Payments, Agendas & Minutes, Village Code, FOIA, Maps, and Report a Concern. The main content area features a dark sidebar with a menu: Library Home, Programs & Registration, Meeting Room Reservations, Study Room Reservations, Electronic Resources, Library Cards & Borrowing, Adult Services, Youth Services, Volunteering & Donations, Exhibit Space, Library Policies, and Library Commission. The main content area shows the breadcrumb path: Home > Departments > Oak Brook Public Library > Electronic Resources. The section title is "Electronic Resources" with a sub-menu: Downloadables, General, Business, Student, and Open Access. Below this, it states: "The following databases are available to anyone, no library card required." The listed databases are: Career One Stop, Data USA, Digital Public Library of America, Driving Tests, Einstein Papers, and FamilySearch, each with a brief description.

## Electronic Resources

Downloadables ▶ General ▶ Business ▶ Student **Open Access**

The following databases are available to anyone, no library card required.

[Career One Stop](#)  
Provided by the US Department of Labor, this database provides the resources to find a career, the right training and to help in your job search.

[Data USA](#)  
Created at MIT, this databases calls itself the "most comprehensive visualization of US public data." You can compare information on different locations, careers, universities and other data points.

[Digital Public Library of America](#)  
Search images, texts, videos and sounds from across the US, including primary sources. This database is great for students of all ages, family researchers and more.

[Driving Tests](#)  
Take practice DMV tests, review the Rules of the Road handbook and more. (There is a paid "premium" version, but some of the testing and the handbook are available for free.)

[Einstein Papers](#)  
Princeton University Press provides access to the ongoing publication of Einstein's written legacy; more than 30,000 unique documents.

[FamilySearch](#)  
This genealogical database is a collection of billions of searchable records and is the largest free collection in the world.
