

SWAN E-Resource Advisory

June 23, 2022

Agenda

- Welcome and introductions
- RAILS VPAT page
- Hoopla and OverDrive collections
- Aspen usability test volunteers

Accessibility training

Did you attend our session on web accessibility? If not, check out the recording!

Getting Started with Accessibility Testing

<https://support.swanlibraries.net/training/91159>

RAILS VPAT page

Check out this page!

<https://www.railslibraries.info/vpat>

Looking for volunteers for the maintenance of this page and a lead person to manage the incoming requests.

Leila Heath - leila.heath@railslibraries.info

Hoopla and OverDrive

- What's included?
- Have you found anything about the collections objectionable to your collection development policy?
- What are the steps to take to remove titles from the platforms?

User testing

Discovery and User Experience looking for volunteers

Community Forums

<https://forums.swanlibraries.net/t/call-for-aspen-testing-volunteers/1187>

We need 5 library staff volunteers to participate in a usability test! Email me at tara@swanlibraries.net if you'd like to participate.
