

1 00:35:26—>Laura Bartnik:—>Will this be rolled into our membership costs, or billed
separately

2 00:37:07—>Dawne Tortorella:—>It will be rolled into membership fees. In the full
proposal there was a breakdown by library based on the SWAN membership fee formula.

3 00:37:31—>Laura Bartnik:—>Thanks Dawne

4 00:40:02—>Dawne Tortorella:—>If you see the timeline, you will notice a period of
training for member libraries. Base templates will be branded, pass accessibility, and
contain universal messaging. So, a library would not need to do anything, but could do
much to customize. Thus - the need for training to help those who do wish to do more
customizationis.

5 00:47:21—>Gabriel Oppenheim:—>Can you share anything about the "library-specific
engagement tools" mentioned in the packet?
