DUX 2024 priorities

Aspen Discovery

- Better lists controls (drag and drop)
- Improvements to masquerade: Stay on the screen when entering
- DVD/blu-ray combo display improvements -- need more info - still not sure
- Relevancy things which were maybe addressed in this past release? - resolved?
- Addressing abridgements in record grouping - in progress
- Report for items without cover images
- Better database integration -- need more info - still not sure

LiDA

- Better performance/faster loading times
- Different trivia on the loading screen
- View nearby SWAN libraries
- More bibliographic information
- Display home library logos or name on digital cards
- Scroll to top when click the top of screen
- Start a new search from search results screen
