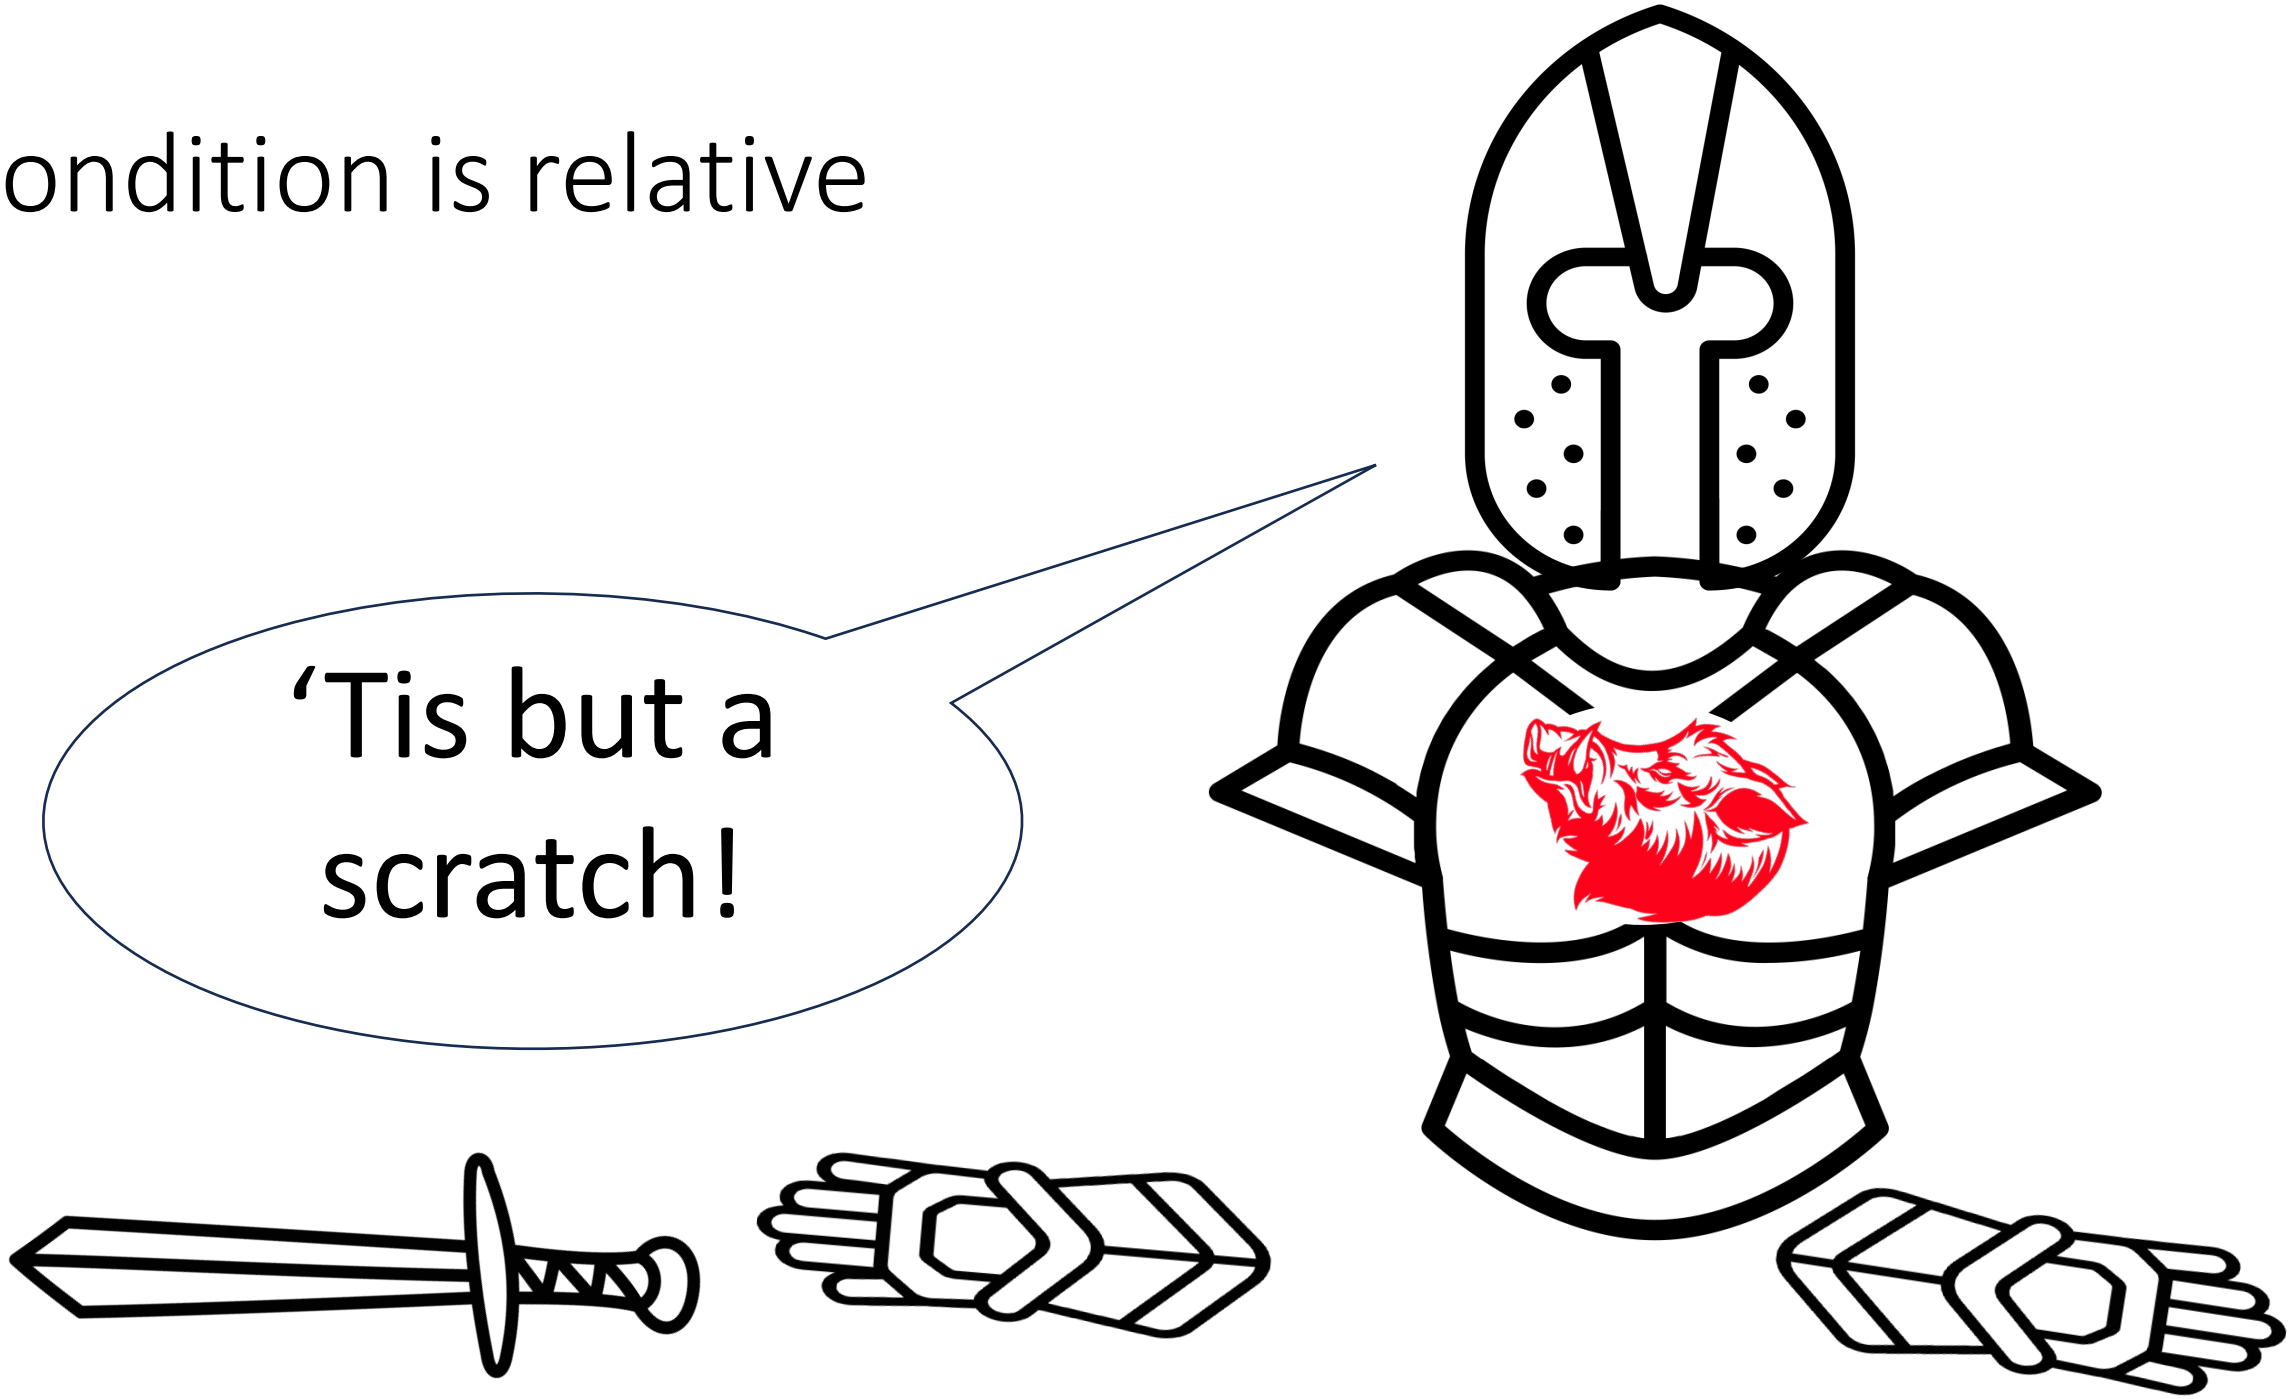
Wear and Tear is *normal*

Condition is relative

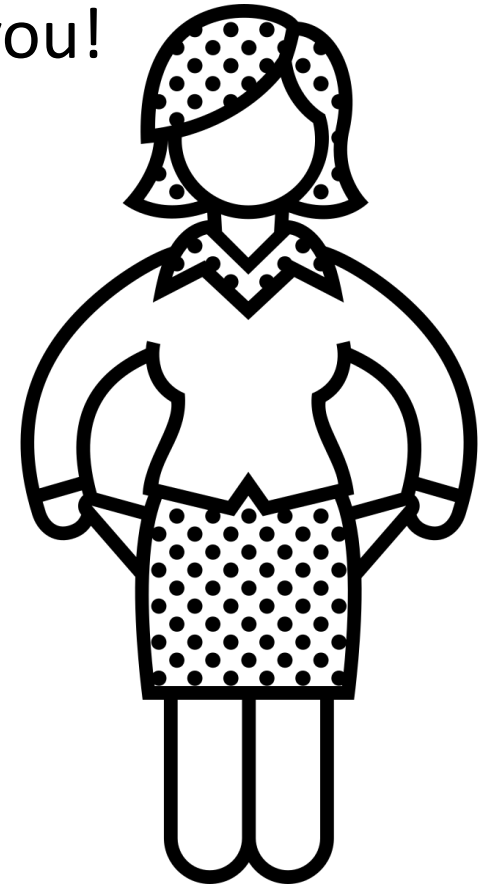


Swans don’t have fingernails

Help them out by folding the corners of hold wrappers, checkout, and transit slips so they come off cleanly!

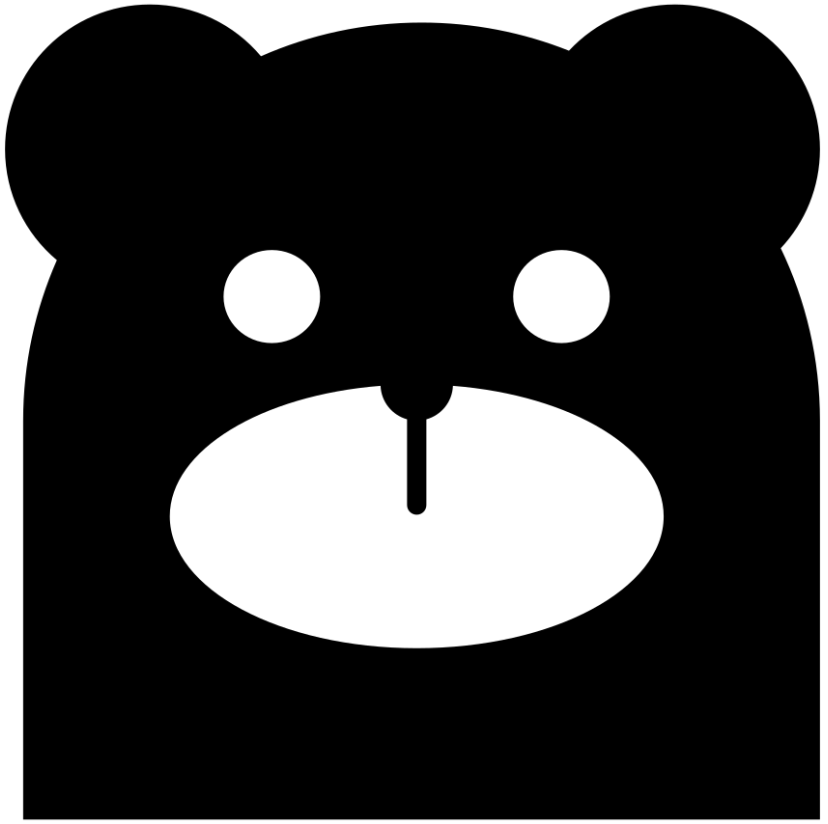
This Skirt has *pockets!*

- But I don’t carry pennies. And neither do you!



Stay alert while scanning

- Check your screen with each scan for status information, system alerts, barcode accuracy, or approaching predators



Octopuses' arms can act as though each contains a brain[1].

- Sadly, very few octopi apply for library positions. The rest of us should limit ourselves to one task at a time.
