

Aspen wish list

Aspen Networking March 2025

- Browse categories – delete all! OPAC Admins? Catalogers?
- Search lists within an account (include private lists)
- Organize lists into folders – some better way to organize
- Fix the drag and drop (and random sort)
- Export a list of lists (then can search!!)
- Caption a title in a list not attached to title outside of list
- Make the list descriptions look nicer and more obvious to patrons.
- Infinite scroll or ability to adjust the number of results in the List of Lists.
- OPACADMIN able to masquerade as other permissions.
